Celebrating Diversity, Creativity and Wisdom

Wurundjeri Country · La Trobe University, Bundoora

Conference: Monday 26 - Wednesday 28 November 2018

Workshops: Thursday 29 November 2018

We warmly invite you to join our self-organising community of facilitators from Australia, New Zealand, South-East Asia and the Pacific at our 2018 conference.

Join us to celebrate the diversity of our people, our perspectives and our practices at our 21st conference. Join us to embrace the energy and possibility of creative ideas and new ways (together ways). And join us to acknowledge, respect and draw on the wisdom of our ancestors, our elders and our community.

Our 2018 Conference is held on the traditional lands of the Wurundjeri people of the Kulin Nation. We acknowledge their long and continuing connection to country and deep traditional knowledge. We respect and honour their country, people and culture.

Visit afnconference.org.au for additional information and to register.

Conference Cost: \$430 (\$275 student); AFN Celebration Dinner: \$90
