

OUR FOCUS

We're facilitating more important conversations in more places.

Supported by a strong foundation of core principles and values, we continue to harness research and learnings to advance our practice and strengthen the impact of our work.

BEING BRAVE & PRINCIPLED SIMULTANEOUSLY

Bringing independence, best practice and integrity to every process. Boldly breaking new ground through evidence-based innovation.

TACKLING THE TOUGH STUFF

Helping you to navigate what's hard and work with outrage, conflict and complexity. Facilitating conversations that lead to trusted decisions around the biggest issues of our time.

SHARING OUR KNOWLEDGE TO HELP YOU BUILD SKILLS

Enabling organisations to achieve better engagement outcomes through new MosaicLab Academy training offerings. Integrating our real experience so you can strengthen internal capacity and culture.

UNCONSTRAINED BY SECTORS OR LOCATIONS

Transforming the way decisions are made across Australia and beyond. Supporting conversations that cross boundaries and borders.

HELP DESK

PROVIDING TRUSTED ADVICE

Supporting you to navigate tricky engagement dilemmas through honest, genuine advice that leads to real outcomes and reduces long-term risk.

STRENGTHENING DELIBERATIVE PRACTICE GLOBALLY

Participating in international conversations, networks and campaigns to advocate for and advance deliberative democracy, transforming the way decisions are made everywhere.

LIVING OUR VALUES

A team of generous, helpful, approachable and fun facilitators that value people, process, principles and participants over profit.
